

## Augustana Open Circle *Care Consultation*

Open Circle Support Services offers care consultation for caregivers. Care Consultation is a service that assists caregivers to gain knowledge, skills, and tools that are tailored to each caregiver's situation.

### Care Consultation includes the following:

- Identification of caregiver needs and values through a comprehensive, individualized assessment
- Development of a caregiver-centered plan
- Education and assistance with finding resources and additional services
- Collaborative problem-solving
- Ongoing coaching and support in meeting established goals
- Facilitation of family meetings as needed

Care Consultation is available on a fee-for-service basis, based on a sliding scale. Packages are available and are delivered within a minimum of three sessions with the flexibility to add additional meetings. Family meetings, for three or more people, can also be scheduled. Alternative Care (AC) and Elderly Waiver (EW) accepted upon authorization.
